

What is the BEOC

BEOC stands for Brockport Ecumenical Outreach Committee.

It is made up of members from the following St. Luke's Episcopal, First Presbyterian, Nativity, Unitarian Universalist, United Methodist , First Baptist, Catholic Diocese, Oak Orchard Community Center and Migrant Education Program.

We meet once every two months at St. Luke's. We discuss the needs of the farm workers and decide how we can best help them. We have a budget and sometimes help with food, transportation and medicine. Some of the member's have direct contact with the workers in the camps. We also work with the Clothing and Food shelves if they need monetary support. If you have any questions or would like to attend one of our meetings, please contact Dennis Lysy at 721-3990 or email him at dwllysy123@hotmail.com.
